

Inspector Tools Exercise

1. **Find the ID:** What is the ID of the div that contains the ramen menu?
2. **Hex Colour:** What is the hex code for the background colour of the header?
3. **Change Text:** Change the text "Welcome to the best ramen stand on the University of Warwick campus!" to "Discover the authentic taste of Japan!" ✓
4. **Add a Hyperlink:** Add a hyperlink to "University of Warwick" that directs to the university's official website. ✓
5. **Text Colour:** What is the hex code for the colour of the menu items (Tonkotsu Ramen, Shoyu Ramen, Miso Ramen)?
6. **CSS Class Modification:** Change the font style of .menu-item from bold to italic. ✓
7. **Add CSS to an ID:** Add CSS to style the stand-name ID. You could change the font size, add a text shadow, or modify other properties. ✓
8. **Add an Image Under a Menu Item:** Place an image underneath the "Tonkotsu Ramen" menu item. Add an tag with a src attribute pointing to an image URL. Ensure the image is appropriately sized and styled. ✓
9. **Footer Background Colour:** Identify and change the background colour of the footer to a darker shade. ✓
10. **Create a New Section:** Add a new section below the menu titled "Opening Hours" and list the hours as "Mon-Fri: 11am - 8pm". Style this new section with a background colour of your choice. ✓
